Overview

The screenshot displays the Ticaga dashboard interface. At the top, there is a browser window with the address bar showing "Not Secure - 178.79.166.22" and the page title "Dashboard - Ticaga". The dashboard header includes the Ticaga logo, a search bar, and a user profile icon. A dark blue sidebar on the left contains navigation links: "Dashboard", "Support Departments", and "Support Tickets".

The main content area features three summary cards: "Tickets Open" with a count of 1, "Tickets Resolved" with a count of 1, and "Account Manager" with the status "Not Applicable". Below these cards is a "Tickets" section containing a table with the following data:

Subject	Status	Priority	Department	Actions
Ticaga Prices	Closed	Low	Sales	View Close
Do you have any documentation?	Awaiting Reply	Low	Sales	View Close

Below the table, a welcome message reads: "Welcome to your Ticaga dashboard. Here you can open and manage tickets with our company." At the bottom of the dashboard, a footer contains the text: "Copyright © 2024 Ticaga. Powered by Ticaga".
