Customers welcome page

Underneath the tickets widget for the customers is a content box, this can be customised by editing the following file:

```
resources/views/components/welcome.blade.php
```

This is the default content which ships with Ticaga:

```
<div
    class="rounded-lg p-6 lg:p-8 bg-white dark:bg-gray-700 border-gray-200 dark:border-gray-
700 mt-3">
    <h1 class="text-2xl font-medium text-gray-900 dark:text-white">
        Welcome to your {{ config('app.name') }} dashboard.
    </h1>

    <p class="mt-6 text-gray-500 dark:text-gray-400 leading-relaxed">
        Here you can open and manage tickets with our company.
    </p>
</div>
```
