Assigned to me section will show you all the tickets which are assigned to you in Ticaga.

The screenshot displays the 'Assigned To Me' section of the Ticaga interface. It features a sidebar with navigation options: Dashboard, Support Departments, Support Tickets, Assigned to me, Clients, and My Clients. The main content area shows three summary cards: 'Tickets Open' with a count of 1, 'Priority Tickets' with a count of 0, and 'Tickets Resolved' with a count of 0. Below these cards is a table of tickets with columns for checkboxes, ID, Subject, Account holder, Status, Priority, and Department. A single ticket is listed with ID 2, subject 'Do you have any documentation?', account holder 'Mike', status 'Awaiting Reply', priority 'Low', and department 'Sales'. 'View' and 'Close' buttons are present for this ticket. The footer of the interface reads 'Copyright © 2024 Ticaga. Powered by Ticaga'.
